Dear,

Creating the leaders of tomorrow is an exciting and important role. For 100 years the Boy Scouts of America has developed leaders who make a difference in our communities and our country. Through Scouting, young people learn the skills and values that make great leaders. You are invited to learn more about Scouting and how you can serve a vital role.

Please join us in celebrating the impact Scouting has on our youth and community at the **Scouting Values Breakfast**, to be held **Thursday December 2, 2010** at the **Doubletree Hotel, 150 S Broadway Rochester, MN**. The Scouting Values Breakfast will start promptly at 7:00 a.m. and will be completed by 8:00 a.m.

The event has three purposes. One, it is designed to provide you with an opportunity to see the impact Scouting and its values have on the young men and women in our communities. Two, **we will honor long time community volunteer and distinguished citizen, Richard "Dick" Hawkins, for all of his contributions to our community.** Lastly, it is an opportunity to kickoff our annual fundraising drive for the Scouting programs in our community. These funds will help ensure leadership, character and values are instilled in our youth well into the future.

Please complete the RSVP form at the bottom of this page and return it to Gamehaven Boy Scout Council in the enclosed self addressed envelope.

We hope you can join us for this event. We look forward to seeing you there.

Best Regards,
