

Gamehaven Council 100 Year of Service

Use this form to submit the number of hours your unit has provided for the 100 Years of Scouting 100 hours of service. The goal is to reach 100 hours of service from your unit within the year. An hour of service is one person doing one hour of work. So if your troop or pack does a one hour project and there are ten of you, then that is 10 hours.

Submit this form by completing it and returning it to the Gamehaven Scout Office. You may also submit this form by clicking on the link:

<http://www.tinyurl.com/100servicetracking> You may also send an e-mail to one of our committee members, bitmanboy@yahoo.com and he will enter the information for you.

Forms can be submitted as many times as is convenient for you. For example, you could submit this form soon after you have performed some service or you could submit the form every month or even quarterly. You choose. Please let us know if you would like to have us let you know what numbers you are at.

You do not need to stop at 100 hours! Keep logging your service time and we'll keep counting them!

Due Dates to be included in the Council Newsletters are:
