

**Dear Parents,** *Scouting* has been teaching boys to appreciate the **outdoors**, learn how to **work with others** and make **new friends** since 1910. Besides building your son's **confidence**, *Scouting* gives you the opportunity to watch him grow and mature into an active member of the **community**.

What can you expect to get out of *Scouting*? As much or more than what you put in. *Scouting* helps strengthen your **relationship with your son** and gives you a chance to spend real quality time having **fun** and learning together!
