### How Far Can You Launch A Pumpkin?

Do you enjoy challenging yourself and your fellow Scouts to reach new heights? Do you and your Scouts enjoy being creative by solving new problems...or do you just have an overall love for seeing objects tossed through the sky and smashed into the ground? If you answered yes to any of these questions then come and join us for the **2<sup>nd</sup> Annual "Pumpkin Chuckin"** at Gamehaven Scout Reservation! Fun is guaranteed and prizes will be awarded to the winners!

Building a pumpkin chucker is a great activity for Scouts and Scout leaders to work together.
