

2010 Ten Commandments Hike?

If a date can be worked out and there is interest, Hiawatha District will hold a Ten Commandments Hike in 2010. We'll hike to 10 different houses of worship in downtown Rochester on a Saturday, from approximately 9:00 to 3:00, covering about three miles. At each house of worship, Scouts will learn a little bit about that faith group, its worship space and one of the Ten Commandments, all in less than 15 minutes per stop.

In the past, the Hike has been at the end of October; however, your input is needed before a date is set. Please indicate on the sign-up sheets at the registration tables whether or not your unit is interested in participating in the Hike. Some units have already indicated their interest.
