Are you Prepared- for ArrowPower²⁰¹¹ Service on the Superior?

ArrowPower²⁰¹¹ will take 40 arrowmen from each lodge in Area 1 to attend the ArrowPower²⁰¹¹ Service on the Superior project. I just got back from an onsite visit to the Grand Marais area and the Superior National Forest. The project will be held June 21-26, but the lodge members must sign up before January 15, 2011 to be included in the contingent.

The current cost for this event is \$195, and we are looking for your down payment of \$100 to secure your spot. Anyone who attended ArrowCorps⁵ can tell you this type of event is one not to be missed.

Anyone not in the first 40 members will be placed on a waiting list should some lodges not fill their slots, so you should plan to get your deposit in as soon as possible.

ArrowPower²⁰¹¹ isn't just working for a week either- Every night there will be some recreation and fellowship opportunities. It's a great way to meet fellow arrowmen from Area 1.

I'm hoping to secure a bus for transportation to Grand Marais, so the lodge can travel together for this great event.
