

Opening Activity:

Your scout leaders are counting on you to find an activity (5 minute game that is boy level and fun) and a song/skit/run-on. They aren't very organized so they sent you an email an hour before the meeting. You only have 30 minutes left to find two activities.

Use the list below to go to websites and find one of each.

They said you had to find it, not do it. Get even with them by finding the most obnoxious, (yet appropriate) game and song/skit/run-on that you can.
